

# A Day in *Aptos*

## *Morning*

If it's a Saturday, peruse the booths at the Aptos Farmer's Market at Cabrillo College, where you'll find the freshest in organic produce, flowers and more. Discover the works of local artists at Cabrillo College Gallery.

## *Mid Day*

Rent bikes and pedal along the redwood-shaded trails of the Forest of Nisene Marks State Park.

Enjoy ocean views while playing a round at the newly redesigned Seascap Golf Course.

## *Afternoon*

Stop by the Aptos History Museum for a quick look at photos and artifacts from the community's fascinating past. Soak up the sun at Seaciff State Beach or bring a blanket and watch the sunset behind the old "Cement Ship". Have lunch nearby at Café Rio, a mere 50 steps from the sands of Rio Del Mar State Beach.

## *Evening*

For a romantic dinner with ocean views, visit Sanderlings Restaurant at the Seascap Beach Resort.
