

A Day in San Lorenzo Valley

Morning

Begin your day with a hike through the old-growth forests of Big Basin or Henry Cowell Redwoods State Parks. Stop by the Santa Cruz Mountains Art Center to see multi-media works by local artists.

Mid Day

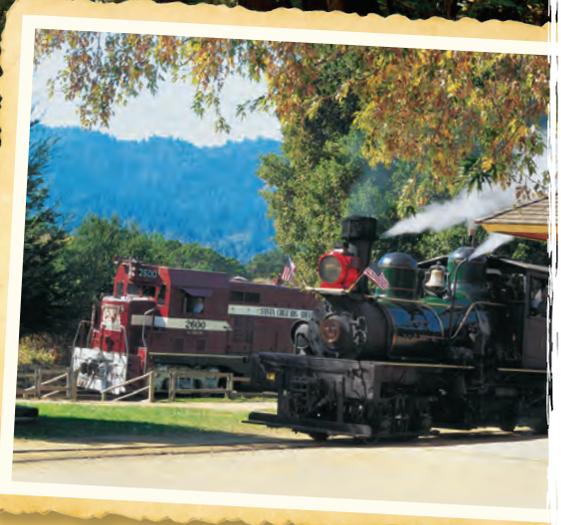

Visit the Boulder Creek Golf & Country Club for a tasty lunch overlooking the golf course or a round on the redwood-ringed fairway. Discover the area's colorful history at the San Lorenzo Valley Museum or take a walking tour through the old lumber town of Boulder Creek.

Afternoon

At Roaring Camp Railroads you'll see an old West-style lumber camp as you wind through the redwoods on a historic steam train. The graceful Felton Covered Bridge Park is a nearby not-to-miss attraction. For more outdoor leisure, go fishing, paddling, or read by the lake at Loch Lomond Recreation Area.

Evening

Enjoy live music at various local clubs in Felton and Ben Lomond.
