

## Pleasure Point Construction - Summer/Fall 2009

Some portions of East Cliff Drive between 33rd Ave and lower 41st Avenue will be impacted by County seawall construction during the Summer and Fall 2009. All businesses in the area are open. Expect construction detours along East Cliff Drive during weekday work hours. Beach access in the construction zones will be limited during construction. Public beach access at 38th Avenue stairs, Moran Lake and 26th Avenue will remain open at all times.
