

Redwoods to the Sea Fam Tour Santa Cruz, California Sunday, September 15th, 2019

SANTA CRUZ, CALIFORNIA:

Surf 's up! Santa Cruz welcomes meeting planners to the quintessential California beach destination. Over 130 years ago, Hawaiian royalty visited Santa Cruz and introduced surfing to the mainland. Today Santa Cruz is synonymous with surfing, California's official sport where late wetsuit pioneer Jack O'Neill's legacy lives on. Combining 29 miles of beaches, boutique wineries, farm-to-table experiences, coastal redwood forests, a legendary 100-year old seaside amusement park overlooking the sparkling blue Monterey Bay, 14 state parks, and a cool West Coast vibe, Santa Cruz – an easy drive from Silicon Valley or San Francisco - is a classic California beach town.
